

2011 Annual Meeting of the Japanese Society for Immunology Program at a glance

November 27 (Sun.), 2011

Program Room Number	Makuhari Messe	7:30	8:30	9:30	10:30	11:30	12:30	13:30	14:30	15:30	16:30	17:30	18:30	19:30	20:30	21:00
<b>Room A</b>	International Conference Room 2F		<b>R1</b> Review Talk-1	<b>S1</b> Molecular mechanisms leashing pathogen sensors			<b>Council Mtg.</b>			<b>W1</b> Inflammation and cancer						
<b>Room B</b>	Room 201 2F		<b>R2</b> Review Talk-2	<b>S2</b> B cell activation and memory			<b>L1</b> Lecture on Related Fields-1		<b>W2</b> Helper T cells-1	<b>W3</b> Helper T cells-2						
<b>Room C</b>	Convention Hall-A 2F		<b>R3</b> Review Talk-3	<b>S3</b> Effector T cells					<b>W4</b> Regulatory mechanisms for dendritic cell activation and dynamics	<b>W5</b> Regulatory mechanisms for macrophage functions						
<b>Room D</b>	Convention Hall-B 2F		<b>R4</b> Review Talk-4	<b>S4</b> Chronic inflammation					<b>W6</b> Human immunity and its regulation	<b>W7</b> Human immunopathology and humanized						
<b>Room E</b>	Room 102 1F								<b>W8</b> "Parasites"-mediated host immune response and suppression mechanisms -I-	<b>W9</b> "Parasites"-mediated host immune response and suppression mechanisms -II-						
<b>Room F</b>	Room 103 1F						<b>C1</b> Clinical Seminar-1		<b>W10</b> T cell development in the thymus	<b>W11</b> Transcriptional regulation of T cell development and differentiation						
<b>Room G</b>	Room 104 1F						<b>T1</b> Technical Seminar-1		<b>W12</b> Mechanisms for the regulation of B-cell immune responses	<b>W13</b> Functions and regulation of germinal center						
<b>Room H</b>	Room 105 1F						<b>C2</b> Clinical Seminar-2		<b>W14</b> Acquired immune response to viral infection	<b>W15</b> Innate immune response to viral infection						
<b>Room I</b>	Room 301 3F						<b>L2</b> Lecture on Related Fields-2		<b>W16</b> Gamma/delta T cells and NK cells	<b>W17</b> NKT cells and other innate lymphocytes						
<b>Room J</b>	Room 302 3F						<b>C3</b> Clinical Seminar-3		<b>W18</b> Basic pathology of autoimmunity	<b>W19</b> Proposal for diagnosis and therapy						
<b>Room K</b>	Room 303 3F						<b>T2</b> Technical Seminar-2		<b>W20</b> Allergic inflammation of the skin focused on	<b>W21</b> Contact hypersensitivity						
<b>Room L</b>	Room 304 3F						<b>T3</b> Technical Seminar-3		<b>W22</b> Tolerance and suppression-1	<b>W23</b> Tolerance and suppression-2						
<b>Poster Exhibition</b>	International Exhibition Hall No.8 2F	Poster Set-up	Poster Exhibition (W1~W23)										Poster Discussion (Odd number)	Poter Discussion (Even number)	Removal	
<b>Equipment Exhibition</b>		7:30 8:00	Equipment Exhibition										16:30 17:30	18:30 18:50		

9:00

18:00

Program Room Number	Makuhari Messe	7:30	8	30	9	30	10	30	11	10	30	12	30	13	40	50	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21	
<b>Room A</b>	International Conference Room 2F			<b>S5</b> Imaging of immune responses					<b>General Mtg. &amp; Award Lecture</b>								<b>W24</b> Tumor immune escape		<b>W25</b> Anti-tumor effector cells													
<b>Room B</b>	Room 201 2F			<b>S6</b> Lymphocyte development										<b>L3</b> Lecture on Related Fields-3			<b>W26</b> Helper T cells-3		<b>W27</b> Cytokines and chemokines-1 Novel physiological functions													
<b>Room C</b>	Convention Hall-A 2F			<b>S7</b> Immune regulatory cells													<b>W28</b> Induction of acquired immunity by extrinsic factor-		<b>W29</b> Role for DC intrinsic factors in the regulation of acquired													
<b>Room D</b>	Convention Hall-B 2F			<b>S8</b> Modulation of immune responses to human cancer										<b>L4</b> Lecture on Related Fields-4			<b>W30</b> Mucosal immunity; Focusing on basic immunology		<b>W31</b> Mucosal/Skin immunity; Focusing on medical applications-1													
<b>Room E</b>	Room 102 1F													<b>T11</b> Technical Seminar-11			<b>W32</b> Host Immune responses to fungi		<b>W33</b> TLR/NLR/Lectin													
<b>Room F</b>	Room 103 1F													<b>C4</b> Clinical Seminar-4			<b>W34</b> Regulation of T cell functions -Views from molecular functions-		<b>W35</b> Regulation of T cell functions -New methods-													
<b>Room G</b>	Room 104 1F													<b>T4</b> Technical Seminar-4			<b>W36</b> Regulatory programs in the development and maintenance of B		<b>W37</b> Hematopoiesis and lymphoid organ development (1)													
<b>Room H</b>	Room 105 1F													<b>T5</b> Technical Seminar-5			<b>W38</b> Antiviral immunity and its regulation		<b>W39</b> Innate immunity in bacterial infection													
<b>Room I</b>	Room 301 3F																<b>W40</b> Rheumatoid arthritis - 1		<b>W41</b> Rheumatoid arthritis - 2													
<b>Room J</b>	Room 302 3F													<b>T6</b> Technical Seminar-6			<b>W42</b> Organ-specific autoimmune disease (Target: Epithelial		<b>W43</b> Organ-specific autoimmune disease (Target: secretion glands, joints)													
<b>Room K</b>	Room 303 3F													<b>C5</b> Clinical Seminar-5			<b>W44</b> T cell memory		<b>W45</b> B cell memory													
<b>Room L</b>	Room 304 3F													<b>T7</b> Technical Seminar-7			<b>W46</b> Allergic inflammation in the airway		<b>W47</b> Mechanisms and regulations of allergic responses													
<b>Poster Exhibition</b>	Event Hall No.8 2F		Poster Set-up	Poster Exhibition (W24~W47)																	Poster Discussion (Odd number)	Poter Discussion (Even number)	Removal									
<b>Equipment Exhibition</b>		8:00	8:30	Equipment Exhibition																	17:10	18:10	19:10	19:30								

**Get Together Party**  
HOTEL NEW OTANI MAKUHARI  
"SHO+MAI" (2F)  
19:30-21:30

Program Room Number	Makuhari Messe	7:30	8	30	9	30	10	30	11	30	12	30	13	20	30	14	30	40	55	30	16	15	30	17	30	18	30	19	30	20	30	21				
<b>Room A</b>	International Conference Room 2F			<b>R5</b> Review Talk-5	<b>S9</b> T cell memory											<b>W48</b> Cancer immunotherapy				<b>W49</b> Mucosal/Skin immunity; Focusing on medical applications-2																
<b>Room B</b>	Room 201 2F			<b>R6</b> Review Talk-6	<b>S10</b> Allergy								<b>L5</b> Lecture on Related Fields-5			<b>W50</b> Cytokines and chemokines-2 Regulation of expression and signaling				<b>W51</b> Cytokines and chemokines-3 Immune responses and diseases																
<b>Room C</b>	Convention Hall-A 2F			<b>R7</b> Review Talk-7	<b>S11</b> Autoimmunity and its regulation											<b>W52</b> Functions of human dendritic cells and macrophages				<b>W53</b> Immune regulation of DCs and macrophages in development of immunologic diseases																
<b>Room D</b>	Convention Hall-B 2F			<b>R8</b> Review Talk-8	<b>S12</b> Mucosal immunity											<b>W54</b> Regulatory T cells-1 -Molecular basis of Treg-				<b>W55</b> Regulatory T cells-2 -Treg in diseases-																
<b>Room E</b>	Room 102 1F												<b>T12</b> Technical Seminar-12																							
<b>Room F</b>	Room 103 1F												<b>T8</b> Technical Seminar-8			<b>W56</b> T cell signaling				<b>W57</b> Antigen presentation																
<b>Room G</b>	Room 104 1F												<b>C6</b> Clinical Seminar-6			<b>W58</b> Hematopoiesis and lymphoid organ development (2)				<b>W59</b> Hematopoiesis and lymphoid organ development (3)																
<b>Room H</b>	Room 105 1F															<b>W60</b> Mucosal immunity in bacterial infection				<b>W61</b> Acquired immunity in bacterial infection																
<b>Room I</b>	Room 301 3F												<b>L6</b> Lecture on Related Fields-6			<b>W63</b> Organ-specific autoimmune disease (Target: neuron and vessels)																				
<b>Room J</b>	Room 302 3F												<b>T9</b> Technical Seminar-9			<b>W64</b> Immune recognition of dead cells/nucleic acid/sugar/lipid				<b>W65</b> Inflammation/pathology																
<b>Room K</b>	Room 303 3F												<b>T10</b> Technical Seminar-10			<b>W66</b> Inflammation				<b>W67</b> Differentiation and activation																
<b>Room L</b>	Room 304 3F												<b>C7</b> Clinical Seminar-7			<b>W68</b> Regulation of immunodynamics																				
<b>Poster Exhibition</b>	Event Hall No.8 2F	Poster Set-up	Poster Exhibition (W48~W68)														Poster Discussion (Odd number)	Poter Discussion (Even number)	Removal																	
<b>Equipment Exhibition</b>		7:30 8:00	Equipment Exhibition														16:30	17:30	18:45
